

### **What is a cookie?**

We use cookies on this website. A cookie is a simple small file that is sent along with pages from this website [and / or Flash applications] and is stored by your browser on your computer's hard drive. The information stored therein can be sent back to our servers on a subsequent visit.

### **Google Analytics**

A cookie from the American company Google is placed via our website as part of the "Analytics" service. We use this service to keep track of and get reports on how visitors use the website. Google may provide this information to third parties if Google is legally required to do so, or insofar as third parties process the information on Google's behalf. We have no influence on this. We have not allowed Google to use the analytics information obtained for other Google services.

The information that Google collects is made anonymous as much as possible. Your IP address is explicitly not given. The information is transferred to and stored by Google on servers in the United States. Google adheres to the Privacy Shield principles and is affiliated with the Privacy Shield program of the US Department of Commerce. This means that there is an appropriate level of protection for the processing of any personal data.

Buttons are included on our website to promote ("like") or share ("tweet") web pages on social networks such as **Facebook** and **Twitter**. These buttons work with pieces of code that come from Facebook or Twitter itself. Cookies are placed through this code. We have no influence on that. Read the privacy statement of Facebook or Twitter (which can change regularly) to read what they do with your (personal) data that they process via these cookies.

The information they collect is made anonymous as much as possible. The information is transferred to and stored by Twitter, Facebook, Google + and LinkedIn on servers in the United States. LinkedIn, Twitter, Facebook and Google+ + adhere to the Privacy Shield principles and are affiliated with the Privacy Shield program of the US Department of Commerce. This means that there is an appropriate level of protection for the processing of any personal data.

### **Right to view and correct or delete your data**

You have the right to request access to and correction or deletion of your data. See our contact page for this. To prevent abuse, we can ask you to identify yourself adequately. When it comes to access to personal data linked to a cookie, you must send a copy of the cookie in question. You can find this in the settings of your browser.

### **Switching cookies on and off and deleting them**

More information about switching on and off and removing cookies can be found in the instructions and/or with the help function of your browser.
