Or Turkish Delight with the freshness of rose water. Experiment and blend your roses until you find the perfect combination.

“Fragrance is said to be the other half of the beauty of a rose”
David C H Austin (1926 – 2018)

*A beautiful, fragrant rose can captivate our senses, stir our emotions,
creating memories like no other flower.*

*“Fragrance, like the visual beauties of the
rose, has its own art, as we mingle one scent
with another.”*

The prettiest of roses with cream and blush pink colours dispersing like watercolour paints across paper. She is a fairytale rose, her petals like layers of silk tulle in a ball gown. Her delicious fruity scent perfuming the air with hints of apples and pears.

MIRANDA™
Ausimmon

A visual delight, Miranda is a show-stopping rose with each petal cascading in colour from deep to gentle tones of candy pink. This decadent rose has a light scent but her visual impact is striking.
